

Implementing High Quality Inclusion: Evidence Based Practices to Support Your Program

Wednesday, October 21, 2026

1:00 pm - 2:30 pm CST

Instructors: Faith Knocke, Ann Kremer

This session will explore tools and strategies that support the implementation of high quality inclusive practices for children with disabilities, with a primary focus on the Inclusive Classroom Profile as a framework. Participants will learn about the 12 practices and indicators of high quality inclusion and how to use the tool for self reflection and goal setting.
